THE
NAVY LIST,

CORRECTED TO

The 20th SEPTEMBER, 1881.

LONDON:

Printed for Her Majesty's Stationery Office,

BY

GEORGE E. EYRE AND WILLIAM SPOTTISWOODE,
PRINTERS TO THE QUEEN'S MOST EXCELLENT MAJESTY.

PUBLISHED BY

JOHN MURRAY, ALBEMARLE STREET.

1881.

Dec 23/41.

NOTE.—No Appointments made after the 20th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published. A list of the Appointments, &c., which have taken place between the 20th and the 23rd ultimo inclusive will be found at page 578.

Officers on the Retired List who have commuted their Retired Pay must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

The EDITOR of the Navy List will be glad to receive any communications in reference to errors in the List, addressed to him at the ADMIRALTY, WHITEHALL, LONDON.

** * * Communications for the Editor of the Navy List, addressed to the Publisher from abroad, should be post paid, in order to ensure attention, but it is more convenient to address to the Editor direct, as above, upon such subjects.*

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

By Command of their Lordships,

Digitized by ROBERT HALL.

| After 25 years' service, a gratuity of £2,000. | After 12 years' service, a gratuity of £1,200. |

"The above rates of Retired Pay shall not apply to any Officer who entered the service prior to the 1st April 1870, and all such Officers, on their retirement, whether compulsory or voluntary, the periods stated in these regulations, shall be entitled to receive the Retired Pay which they could have claimed under the Orders in Council of the 22nd February 1870 and 5th February 1872, under the same conditions of age and service.

"12.—Retirement from ill-health, &c.

"Officers incapacitated by illness, &c. after only short service to be granted, instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of annuity, upon the following conditions, which are the same conditions as those imposed upon Army Officers by the 151 and 152 Articles of the recent Royal warrant, viz.:—

"An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted in and by the performance of military duty, as certified by a Medical Board, may be granted temporary half pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused in and by the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such officer upon permanent half pay, after not less than one year upon temporary half pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

*"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 22*l.* a year at 42 years of age.*

"13.—All service for the purposes of gratuity, pension, and retirements to count from the age of 20, except in the case of Officers who entered the service prior to the 1st April 1870, who, under the Order in Council of the 5th February 1872, retain the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18."

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay cases where the same depend upon seniority; and it carries with it the loss of the benefits of service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

CIRCULAR No. 38.—A.G.

HALF-PAY.

Admiralty, 14th June 1871.

My Lords are pleased to direct that in future every Officer entitled to Half-pay shall, on application on his part, be placed on the Half-pay List as soon as his full-pay ceases, and his accounts are clear.

Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they or any of the Officers under their command, are discharged to Half-pay, one of the returns herein-after specified, and marked respectively "(A) Foreign Service," "(B) Home Service."

The Form already required to be furnished, and specified at page 175 (Appendix) of the Manual (1868) to the Admiralty Instructions, will suffice for officers returning to Half-pay on Foreign Service, amended as per specimen annexed and marked A.

Whenever an Officer is discharged abroad to return to England, who will be entitled to Half-pay on Full-pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstance in which he is returning home, are to be filled in previously; and should he take passage on a ship of War, the date of arrival is to be inserted and certified by the Commanding Officer of the Ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander of such vessel.

The new Form marked "B," for Officers employed on "Home Service," will be immediately forwarded to ships on the Home Stations.

Application for payment of Half-pay may be made to Her Majesty's Paymaster-General, either personally or by letter, so soon as the first monthly or quarterly instalment shall become due after the date of ceasing Full-pay. But in the case of Commanding Officers who are required by the Regulations to render accounts or other documents, application should not be made until such accounts have been duly rendered and passed.

By command of their Lordships,

VERNON LUSHINGTON.

Chaplains shall not hold any Naval rank but shall retain, when afloat, the position to which their office would entitle them on shore; and the Chaplain of

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE REGULATIONS.—1870.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, see p. 482.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of Her Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of Her Majesty's squadrons or Ships, or of any of the Officers or Men thereunto belonging, unless under special authority from the Government in England for any particular Service. But when Officers of the Navy are employed on shore, on joint service with Her Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in India is next below the Commander-in-Chief in India, if not a Member of Council, and irrespective of their relative Military rank.

At Durbar, Processions, and other Public Ceremonies in India, a distinctive place will be assigned to the Senior Naval Officer on the spot in the absence

of the Commander-in-Chief, without reference to relative military rank.

Under the regulations formerly in force, the precedence of the Officer in command of Her Majesty's Land Forces in any Colony, was dependent on whether or not he was entitled to address the Government of the Colony in the absence of the Governor. But the alteration of circumstances rendered this arrangement in some cases absurd or anomalous, therefore it is Her Majesty's pleasure that the following rules be now observed in Colonies in regard to the precedence of Naval Officers in command of Her Majesty's Forces.

- The Senior Officer in command of the Forces of Her Majesty's Land Forces, and the Officer in command of Her Majesty's Naval Forces on the Station, if of the rank of an Admiral, are to have precedence next after the Governor, their own rank being determined by the Queen's Regulations that subject.
- The Senior Officer in command of the Forces of Her Majesty's Land Forces, and the Officer in command of Her Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedence next after the Governor, their own rank being determined by the Queen's Regulations that subject.
- If below the rank of Colonel or Lieutenant-General the Senior Officer in command of the Forces of Her Majesty's Land Forces, and the Officer in command of Her Majesty's Naval Forces on the Station, are to have precedence next after the Governor, their own rank, as has heretofore been the case, to be determined by the Queen's Regulations that subject.

NAVIGATING AND PILOTAGE DUTIES OF THE FLEET.

FLEET CIRCULAR No. 41.—C.

(Re-issuing the provisions of Circular No. 5 C. of 27th March 1877, with slight alterations.)

Admiralty, 27th May 1879.

The entry of Navigating Cadets having ceased, my Lords Commissioners of the Admiralty are pleased to issue the following regulations for the performance of the Navigating and Pilotage duties of the Fleet, and for the carrying out of the necessary arrangements affecting the present class of Navigating Officers.

1. Circular No. 5 C. of 27th March 1877, is hereby cancelled, and its provisions, so far as they are retained, are embodied in this circular.

2. All Naval Cadets who entered the service after 31st December 1875 will be required to pass an examination in Pilotage, and after completing the examination in Gunnery for Lieutenant they will be appointed to the Flag Ship at Portsmouth for a period of two months for instruction; they will then be required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

3. Officers now on the Lieutenants' and Sub-Lieutenants' Lists who apply to be appointed to Navigating and Pilotage duties will, if approved by their Lordships, be appointed to the Flag Ship at Portsmouth for instruction, for a period of two months; they will then be required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

4. No Lieutenant will be eligible for appointment to Navigating and Pilotage duties until he has completed one year's service at sea as a Lieutenant. Every Sub-Lieutenant who has elected Navigating duties will, when promoted to the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

5. Lieutenants may, after performing Navigating duties for three years, pass for First-Class Ships; but no Officer, after promotion to the rank of Commander, will be considered eligible for a Navigating appointment, unless he has passed for First-Class ships, either in the rank of Lieutenant or Commander.

6. Officers electing Navigating duties will be required to keep themselves efficient in gunnery, and will, from time to time, be required to go through a short course of gunnery in the "Excellent" or "Cambridge," and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters, and are conversant with the Rifle and Sword Exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

7. Officers who elect Navigating duties will not be required to continue those duties after promotion to the rank of Commander, unless they should wish to do so.

8. Lieutenants and Sub-Lieutenants appointed for Navigating duties will be required to take a share in the ordinary duties of their ships, such as Watch-keeping, acting as Divisional Officers, &c., as in the case of Gunner Lieutenants. But this participation in the ordinary duties should not interfere with their special Navigating duties, and is to be arranged at the discretion of the Captain.

9. If the Commander, Lieutenant, or Sub-Lieutenant appointed for Navigating duties should be senior to the Executive Officer, he will, in the absence of the Captain, succeed to the command of the ship. But he is not to take upon himself the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

10. Officers selected for Navigating duties will remain eligible for promotion to the highest rank in the Service; and, as Captains and Commanders, they, as well as Staff-Captains and Staff-Commanders, may be appointed Masters, Attendant, Assistant Masters, Attendant, and Queen's Harbour Masters.

11. The pay of the under-mentioned Officers performing Navigating duties will be as follows:—

Commanders.—The full pay of their rank, and additional pay of

4s. to 5s. a-day.

At the discretion of their Lordships.

Lieutenants.—The full pay of their rank, and, if of five years' seniority and upwards, extra pay of

8s. a-day.

Under five years' seniority, extra pay of

2s. 6d. a-day.

If passed for First Class Ships, without regard to seniority, additional pay of

4s. a-day.

(**NOTE.**—In the event of a Lieutenant for Navigating duties becoming Senior Lieutenant, he will draw allowances as such as well as additional pay for Navigating duties.)

Sub-Lieutenants.—The full pay of their rank and additional pay of

2s. 6d. a-day.

All Officers of the Military Branch are liable to be called upon to perform Navigating and Pilotage duties in Her Majesty's ships, but additional pay for Commanders, Lieutenants, and Sub-Lieutenants for doing so is contingent on their having passed in Pilotage.

12. All Officers now on the lists of Staff-Captains, Staff-Commanders and Navigating Lieutenants, will continue to perform the same duties, and be eligible for the same appointments as at present.

13. Navigating Sub-Lieutenants, on being selected for promotion, will be allowed the option of being placed either on the Lieutenants' or on the Navigating Lieutenants' list; but if they elect the Lieutenants' list they will still be required to perform Navigating duties, if called on to do so, until promoted to the rank of Commander.

14. Officers promoted from the Navigating Sub-Lieutenants' list to the Lieutenants' list, will, within

the first six months of their service, be required to go through a course of Gunnery in the "Excellent" or "Cambridge," and in the Quarterly Returns of Gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters, and are conversant with the Rifle and Sword Exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

15. Commanders, Lieutenants, and Sub-Lieutenants who perform Navigating duties, and officers transferred from the Navigating class to those lists, will be entered in the "Navy List" with the letter N against their names.

By Command of their Lordships,
ROBERT HAN

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

Given at Osborne House, Isle of Wight,

The 4th day of August 1875.

Present:

His most Excellent Majesty in Council.

On this day was read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1875, in the following words:—

"Whereas Your Majesty's Order in Council of 22nd March 1866, governing the promotion and retirement of Officers and others of Your Majesty's Fleet, contains two appointments as follows:—

"That Officers from that rank to be entitled to retire, on the rank of Retired Rear-Admiral, or on the rank of Retired Captain, should have served the time to be specified in the Regulations for promotion."

"And whereas we are of opinion that this condition should be cancelled, and the following substituted:—

"That Officers who have been, or who may in future be, promoted from the rank under Your Majesty's Order

in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"(a.) Service in Harbour Ships or their Tenders, with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine, and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions:—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"This shall not apply to any Officer who retired before 1st August 1873.

"3. Service subsequent to 1st August 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

[Under this power Tenders to First Reserve Ships have been allowed to count as service in a ship of War at Sea.]

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDMUND HARRISON.

ORDER IN COUNCIL. No. 22.—C.W.

At the Court at Windsor,

The 4th day of December 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd of December 1873, in the words following, viz:—

"Whereas by clause eighth, section one, of Your Majesty's Order in Council of 22nd February 1870, it is established that—

"Rear-Admirals shall not be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one year's Sea Service, or its equivalent in Harbour Service as Flag Officer; but such officers as arrive at their turn for promotion without having completed the qualifying service, and not having attained the age for retirement, to remain on the Active List until qualified for promotion, or until retired; if promoted, to take rank according to former seniority."

"And whereas Your Majesty's subsequent Order in Council of 5th August 1873, with a view to provide temporarily for a more uniform flow of advancement in the ranks of Flag Officer, Captain, Commander, Lieutenant in Your Majesty's Navy, authorised an increase, by 10, of the number of Rear-Admirals as shown in the Order in Council of 22nd February 1870, which increase, in consequence of the limited number of appointments open to that rank, it is rendered possible to provide for every Officer obtaining the necessary qualifying service before he arrives at his promotion;—We do most humbly submit that, in order to avoid the necessity of passing over Officers in other respects, well qualified for advancement, the power conferred by the above-recited clause of Your Majesty's Order in Council of 22nd February 1870, to supplement the powers conferred by the same in Council so far as refers to the compulsory retirement of Admirals and Vice-Admirals by the following provision, viz:—

"Flag Officers who have not hoisted their flag as Flag Officers, to be retired at the age of 60."

"The Lords Commissioners of Your Majesty's Navy have signified their concurrence in the above proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July 1873, in the words following, viz:—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank by Your Majesty's Orders in Council of 22nd February 1870 and 4th August 1873, and who, not having the necessary sea service, are not entitled to a step of rank on promotion; and whereas under the provisions of Your Majesty's Order in Council of 5th August 1873, Captains are to advance one step in rank, according to seniority, after having served five years' qualifying service, and Lieutenants, after having served three years' qualifying service. We most humbly submit to your Majesty that Commanders who have already been retired, or who may hereafter be retired, after having served sufficiently long at sea to qualify for promotion to the rank of Captain, may, on promotion, be allowed to assume the rank of Major-General on attaining fifteen years' seniority, but without increase of Retired Pay or Widow's Pension."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

PROMOTION OF FLAG OFFICERS, CAPTAINS, COMMANDERS, AND LIEUTENANTS, AND RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 4th August 1875.]

At the Court at Osborne House, Isle of Wight,

The 5th day of February 1872.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 20th December 1871, in the words following, viz:—

"Whereas Your Majesty, by Order in Council of 22nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view

of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Commanders, Captains, and Lieutenants shall be reduced to the numbers thereby established. And whereas we are of opinion that it is expedient to make amendments in the temporary provisions of Your Majesty's Order in Council, and also that it is expedient to establish regulations for the retirement of Sub-Lieutenants.

"We would, therefore, most humbly submit to Your Majesty—

"1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

"2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers and Lieutenants to the rank of Captain, according to the usual scale—

"3. That the Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

"4. That the Commander in every two vacancies which shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

"5. That the Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

"6. That we be further authorised, until the List of Captains is reduced to two hundred, to promote one Commander in every two vacancies now existing, or in any vacancy arising from deaths, resignations, or other causes as they occur.

"7. That until the List of Sub-Lieutenants is reduced to three hundred and fifty, we be authorised to confer promotions on Sub-Lieutenant who is, in our opinion, deserving advancement, although such promotions may be in excess of the number of Sub-Lieutenants to be temporarily in excess of the number authorised by Your Majesty's aforesaid Order in Council.

"8. That any who were promoted to that rank before the 1st April 1870, and who elected the new regulations, should be allowed, if physically unfit, or if they have served for seven years, on retirement, an additional pay not less than that to which they would have been entitled to receive under the regulations in force prior to the 1st April 1870.

"9. That any who are to be compulsorily retired at the age of thirty-five, or if physically unfit for service, on the List of Sub-Lieutenants is reduced to two hundred and fifty, such Officers to be allowed, with the sanction of our discretion, to retire irrespective of age.

"10. That pay to be granted as follows:—After three years, £500 per annum, an additional £50, being granted complete year beyond three served as Lieutenant until the maximum is reached, viz., £650.

"11. That any who in our opinion, are not deserving of promotion pay on the above scale, to be granted an additional pay as we may think fit to award them. The amount of pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of the 2nd February 1870, relating to Flag Officers, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has been promoted to that rank to reckon in the proportion of one year to two years.

"12. That any who are to be allowed, at their own request, to commute their retired pay for a pension, to be paid down by the Lords Commissioners of the Treasury for administering the Act of the 2nd April 1869.

"13. That the rules as to half-pay to Sub-Lieutenants on the Active List to remain in force.

"14. That we most humbly submit that Your Majesty's Majesty be pleased to sanction these arrangements, and to receive the concurrence of the Lords Commissioners of Your Majesty's Treasury."

"15. That having taken the said Memorial into consideration, and with the advice of Her Majesty's Majesty, to approve of what is therein proposed; and that the Lords Commissioners of the Treasury be given the necessary directions herein contained.

CIRCULAR No. 10.—C.

The Court at Osborne House, Isle of Wight,

The 5th day of August 1875.

Present:

The Queen's most Excellent Majesty in Council.

That there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following:—

"We have had under our consideration the Memorial of Your Majesty's Orders in Council of twenty-

second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

| | |
|----------------------------------|-----------|
| "Adjusting the Flag Ranks thus:— | |
| 3 Admirals of the Fleet. | |
| 10 Admirals. | |
| 20 Vice-Admirals. | |
| 35 Rear-Admirals. | |
| | Total 68. |

"Promotions to the List of Admirals to be in the proportion of one or two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

| | |
|-----------------------------------|----|
| "Admirals and Vice-Admirals . . . | 35 |
| "Rear-Admirals . . . | 50 |
| "Captains . . . | 45 |

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 29.—C.W.

At the Court at Windsor,

The 20th day of November 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1870, in the words following, viz.:

"Whereas we have had under our consideration the effect of Your Majesty's Orders in Council of 22nd February 1870 and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary:—

"1. To increase the number of Lieutenants for executive duties;

2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and

"3. To make better provision for the promotion of Sub-Lieutenants.

We do most humbly submit that Your Majesty will be pleased to sanction:—

"1. That the number of Lieutenants for Executive duties shall be 800.

"2. That we be authorised to increase that number of Lieutenants gradually to 1,000 in proportion as the numbers on the Lists of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz. 250, so that eventually the List of Lieutenants shall be 800 for Executive duties and 200 for Navigating duties.

"3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year.

"4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 38.—N.

At the Court at Windsor,

The 24th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of March 1880, in the words following, viz.:

"Whereas Your Majesty was graciously pleased by Order in Council of the 22nd February 1870, Sec. II. Par. 6, to make the following provision as regards officers of Your Majesty's Navy accepting the Regulations then established, viz.:

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear Admiral if before retirement they had served the time to qualify them for promotion."

thus restricting the award of Retired Flag Rank to officers qualified for their Active Flag, and whereas under Your Majesty's subsequent Order in Council of the 5th August 1875 all Captains retired from that rank have become entitled to one step in rank, by seniority, irrespective of service, the distinction between officers

qualified and not qualified for promotion being thereby abolished; We would humbly represent to Your Majesty that we consider the distinction reasonable, and we are of opinion that it is expedient to grant to Captains qualified for promotion a concession proportionate to that conferred by Your Majesty's Order in Council of 5th August 1875 on unqualified officers.

"We would therefore humbly submit that Your Majesty will be pleased to sanction the following provisions, viz.:

"1. Captains who have been or may be retired from that rank (unless retired on account of non-service) shall be allowed to rise to the rank of Vice Admiral on the Retired List if before retirement they had or shall have served the time necessary to qualify a Captain for promotion to the rank of Rear Admiral on the Active List.

"2. Such advancement to be conferred according to seniority, any officer hereby qualified for Vice Admiral rank, and who has been debarred from rising above the rank of Rear Admiral by the restrictions of the Order in Council of the 22nd February 1870, to date his promotion to Vice Admiral from the day on which he would have been promoted had such restrictions not been in operation.

"3. Promotion not to confer claim to increased Retired Pay."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 50.—N.

At the Court at Osborne House, Isle of Wight,

We submit that the condition of the Order in Council of 5th August 1875 to the effect that the increased number of Commanders over two hundred is to be regarded as of a temporary nature be restricted so that the provisions of the present Order be applied to the promotions bearing date the 1st of January 1871."

SERVICE ON COMMITTEES, &c.

At the Court at Windsor

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four

vacancies which may be caused by Retirement, or promotion consequent on Retirement, until the List be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would in point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 22nd February 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Lieutenant Commander; and by Your Majesty's Order in Council of 22nd July 1864 it is laid down that Paymasters who have completed 20 years' service, including Assistant Masters' time, and not more than 4 years as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at the discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar provision should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service. We therefore humbly submit that in future such motions on Retirement be made at our discretion, and beg further to represent that, so far as financial arguments are affected, the Lords Commissioners of the Admiralty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

4th of February 1870 for the Government of Your Majesty's Naval Service, it is provided that 'To be eligible for the rank of Staff Captain, an Officer must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbour Master, or he must, with 20 years' sea-service, have performed the duties of a Navigating Officer have performed some special service, the nature of which is to be mentioned in the Gazette;' and whereas the effect of these provisions has been to exclude from advancement to the rank of Staff Captain Officers unable to acquire the above-mentioned qualifications but yet deserving, in our opinion, of such promotion. expenditure beyond that authorized by the Regulations will be incurred by these proposals."

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st August 1872, in the words following, viz.:

"Whereas Your Majesty was graciously pleased, by Your Order in Council of the 5th February 1872, to establish Regulations for the Retirement of Sub-Lieutenants of Your Majesty's Navy; and whereas, having had under our consideration the present state of the Active List of Navigating Sub-Lieutenants, we are of opinion that it is necessary to establish Regulations for the Retirement of Officers in this rank, we would therefore humbly submit to Your Majesty the following proposals:—

"1. Navigating Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

"2. Retired Pay to be granted as follows: after three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Navigating Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.

"3. Officers who, in our opinion, are not deserving of receiving Retired Pay on the above scale, to be granted such lower rate of Pay as we may think fit to award them.

"4. Service for Retired Pay to be calculated in accord-

ance with the Provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Naval Officers, &c.; time during which a Navigating Sub-Lieutenant may be on Half-pay, after he has served years in that rank, to reckon in the proportion in the said Order in Council.

"5. Navigating Sub-Lieutenants to be allowed, on own request and with our consent, to commutate Retired Pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administration of the Act 34 and 35 Vict. cap. 56.

"6. The existing rules as to Half-Pay to Navigating Sub-Lieutenants while on the Active List to remain in force.

"7. We would humbly submit to Your Majesty that the above Regulations be sanctioned, and we further allowed to apply the same to Navigating Sub-Lieutenants George Horwood, who has served for 41 years 6 months in Your Majesty's Navy, and who was discharged from Your Majesty's Coast-guard Service in July on attaining the age of 60, from the date of his discharge.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd of October 1878, in the words following, viz.:

"Whereas by Your Majesty's Order in Council of 30th April 1877, Your Majesty was pleased to sanction the compulsory retirement at the age of 45 years of Officers holding the rank of Engineer:

"And whereas we are now of opinion it may be desirable under circumstances of emergency to retain these Officers in Your Majesty's Service until they attain the age of 50 years: We humbly submit that under circumstances of emergency the present age for the compulsory retirement of officers holding the rank of Engineer may be extended to the age of 50 years, and that the optional age for retirement be 45 years.

"And in consideration of the additional service that may be required of these Officers after the age of 45 years, increased retirement be granted to them on the following scale:—

"Engineers qualified for promotion:—

"For each year's service on Full Pay after the age of 45 years 7l. 10s.

"For each year on Half Pay after the age of 45 years 3l. 15s.

Maximum to be 187l. 10s.

"Engineers not qualified for promotion:—

"For each year's service on Full Pay after the age of 45 years 6l. 10s.

"For each year on Half Pay after the age of 45 years 3l. 5s.

Maximum to be 162l. 10s.

"And further that power be reserved to us to suspend, under circumstances of emergency, the above provision under which an Engineer may at his option retire at the age of 45.

"We do most humbly submit that Your Majesty will be pleased to sanction these our proposals, the expense that may be occasioned by the same being incurred in by the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The following shall be the scale of Pensions:—

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10% a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1070 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for pension on account of age, long service, or disability is made by a Chief or other Gunner, Boatswain, or Carpenter who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August 1870, and no hurt certificate is produced, the

applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the going scale for service may, at the discretion of the Admiralty, be awarded when special service has rendered requiring special reward; and such lower of pension as the Admiralty may think proper be granted to officers who have been guilty of misconduct.

Chief Gunners, Chief Boatswains, Chief Carpenters, and Warrant Officers who have been dismissed from Her Majesty's service for what may be considered offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the men's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty officer's time, under Article 2010.

GOOD SERVICE PENSIONS.

The following are the established Good Service Pensions for Naval and Marine Officers:—

| | | |
|---|--|--|
| Flag Officers, 10 Pensions of 300 <i>l.</i> a year each, two of which may be held by Vice-Admirals, and two by Rear-Admirals qualified for promotion. | | |

Good Service Pensions shall be awarded to Flag Officers for distinguished service at sea, and in determining claims, preference shall be given, in cases of equality, to officers who have commanded ships against the enemy.

Colonels and General Officers of Royal Marines in the *Active List* shall be allowed to retain their Pensions; but, in the case of Flag Officers, if the retired pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to the half-pay.

Officers retired from that rank shall be allowed to retain their Pensions together with Good Service Pensions not exceeding 600*l.* a year; but, should the retired pay and the Good Service Pension together exceed that sum, they will be retired on 600*l.*, and their Good Service Pension.

Lieutenant-Colonels and Colonels of Marines to be allowed to receive in Retired Pay together with Good Service Pension a sum not exceeding 600*l.* a year, but should the two together exceed that sum they will be retired on 600*l.* a year relinquishing the Good Service Pension.

A Naval Aide-de-Camp to Her Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An officer promoted to the rank of Admiral of the Fleet on the *Retired List* under the provisions of the Order in Council of 22nd of February 1870, Section X. para. 7, shall, in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

GREENWICH HOSPITAL PENSIONS TO ENGINEER OFFICERS.

N. 52.

At the Court at Windsor,
The 2nd day of March 1881.

Present:

THE QUEEN'S most Excellent Majesty in Council.

That there was this day read at the Board a Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of January 1881, in the following words:—

Whereas under Your Majesty's Order in Council of 1870 and Article 187 of the Regulations for the Government of Your Majesty's Naval Service, Pensions out of Greenwich Hospital were established for retired Engineer Officers of the Royal Navy, viz., for Chief Inspectors and Inspectors of Machinery one Pension of 80*l.* per annum; and for Inspectors seven Pensions of 50*l.* per annum; and whereas we are of opinion that, in consideration of the increase made in 1877 to the *Active List* of Chief Inspectors and the increased responsibilities devolving on Engineer Officers, a larger number of pensions should be awarded to officers of this class.

"We beg to recommend that Your Majesty will be pleased by Your Order in Council to empower us to award Greenwich Hospital Pensions to retired Engineer Officers as follows:

"To Chief Inspectors and Inspectors of Machinery, one additional Pension of 30*l.*, making in all 2 pensions of 80*l.*

"Chief Engineers, 7 additional Pensions of 50*l.*, making in all 14 Pensions of 50*l.*

"And that when the retired list of these officers shall have reached a further point of increase, to be hereafter determined by us, a further pension of 50*l.* be awarded to retired Chief Engineers, making in all fifteen such Pensions."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

"Whereas we have had under our consideration the representations made by the Officers of the Royal Marines (and particularly by the Captains and Subalterns) of the continued stagnation of promotion in the Corps; and whereas it appears to us, after full inquiry, that the only way of meeting the difficulty, with due regard to the interests of the Officers generally and the efficiency of the Service, will be by adopting, as far as possible, in the Royal Marines, the principle of Retirement and Promotion now established in the Army by Your Majesty's recent Royal Warrant, and by extending the system of compulsory retirement established in the Royal Marine Corps by Your Majesty's Order in Council of the 22nd February 1870, we humbly submit for Your Majesty's approval the following Scheme, which we have framed with the object of providing a fair and even flow of promotion throughout the whole Corps of Royal Marines.

1851.

Her Majesty, by Her Order in Council of 25th June 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

GENERAL NOTES.—The Widows of Officers on the Reserved and Retired Lists only are entitled to the Pension applicable to the rank of their husbands at the date when they were last on the Active List, unless special provision is made for in this Table. An exception, however, to this rule is made in the case of retired Captains when promoted to the rank of Flag Officers, whose widows are pensioned as the widows of Flag Officers. Orders in Council for increased rates of Pension are never retrospective.

The rules for Pensions and Compassionate Allowances for Widows of Temporary Service Engineers and Assistant Engineers will be found with the other Regulations respecting these Officers.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Maintenance Allowances, at the rates specified in the Regulations, and subject to the following regulations.

Applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty, and the decision of the Board.

Pensions of all Widows shall commence from the date of the death of their Husbands, and no application may be made by the Widow within twelve months from the same, otherwise from the time of application.

Orders in Council increasing Rates of Compassionate Allowances, are not retrospective in operation, and only affect the families of Officers who may be on the Active List at the date of the Order in Council, or subsequently thereto.

The sum of a Widow to Pension shall not be payable before her death, the amount of pension to which she would have been entitled if living, shall not be payable to her representatives.

Pensions authorized by these Regulations cannot be claimed as a Right—they are granted as rewards for faithful service rendered by deceased Officers, and they will only be conferred on persons deserving the Public Bounty:—the ordinary Pension will be granted to Widows whose private incomes may be estimated on the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank, and the Pensions are liable to be discontinued in the case of any misconduct rendering the Officer receiving them unworthy of the Public Bounty.

A Widow shall not be eligible to be placed on the Active List under any of the following circumstances:—if her husband, being a Commissioned Officer, died before the age of Sixty Years,—or, being a Chief Gunner, Boatswain, or Carpenter, or Warrant Officer, died before the age of Fifty Years; except such as were promoted prior to 30th June, 1830, or who were on the Active List of Chief or other Gunners, Boatswains, Carpenters on 1st October 1873, or subsequently of them, in whose case the limit of age is sixty. If her husband, being capable of service, had, at his death, been excused from serving, when he was promoted, he was officially warned that his

Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof; and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority, was in good health when he married, and it be clearly shown that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The Widows of Chief and other Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time, immediately before confirmation, included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

11. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of Retired Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

16. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such

qualifying period; and if under this rule the Pension still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held British Honorary Rank on the Active List shall be entitled to the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer last on the Active List.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 10 as may be slain in the Queen's Service, in fighting with enemy, pirates, or smugglers, or in encounters with Ships of friends by mistake, or in quelling disorder on shore or aboard; and persons dying of their wounds within six months shall be considered as persons killed in action.

i. To a Widow, a Gratuity equal to a year's Pay of the rank which her husband held at the time of death.

ii. To each Orphan (who shall not be married, or of the age of twenty-one at the time of the father's death) one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Command Money and other Full-Pay allowances, and Table Money, shall be included.

18. In the case of an Officer killed in action, and from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter only, an annual Allowance, equal to one-third of the ordinary rate of Widows' Pension may, under extraordinary circumstances, be granted, instead of the ordinary Allowance, to such Daughter or Daughters only. Such Allowances may be continued until the Daughter or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, and that they are under the age of eighteen, who may be Subordinate Officers in the Navy, and that the circumstances, and those of their families, are such as to require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the service performed by the Father; and as far as the claims upon claims can be governed by Regulations, the following order, viz.:

- 1st. Children of Officers killed or drowned in action.
- 2nd. Children of Officers dying from Illness contracted in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Foreign Service.
- 5th. Children of Officers dying on Full-Pay.
- 6th. Children of Officers dying on Half-Pay, the Reserved and Retired Lists.

21. The Allowances granted to the Sons of Officers be continued until they attain the Age of Eighteen, or are otherwise previously provided for, and then the Daughters may be continued until they marry, or the Age of Twenty-one, whichever shall first occur, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are, by any mental or bodily infirmity, rendering them incapable of making any exertion for their own support, and that they are still in distressed circumstances.

22. Children who are being educated at the Greenwich Hospital may be granted the same Compassionate Allowances applicable to their rank, provided real poverty is proved to exist.

Compassionate Allowances may be drawn for by serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither the children nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a year from other sources, or whose income has been refused Pensions on account of private means, are considered ineligible for Compassionate Allowances under ordinary circumstances.

In the event of a Widow re-marrying, her Children in the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

Compassionate Allowances are granted for the year ending 1st January, but are not payable till after 1st April.

Children who were born after their Fathers commenced their Retired Pay, are not eligible to be placed on the Compassionate List.

The aggregate amount of the Allowances to the Widow of any Officer shall not exceed, in ordinary cases, one-half of the Half-Pay of his Rank and Standing at the time of his death. In the case of an Officer whose services to the Service, the aggregate amount of Allowances to his Family shall not exceed 100*l.* a year, or the amount of the Half-Pay of his Rank and Standing at the time of his death.

When an Officer is killed in action, or is drowned on duty, or dies of wounds or injuries sustained within six months after being injured, his Widow or legitimate child, but leaves a Widow in distressed circumstances, and is dependent upon him, the Mother shall receive a Pension at the ordinary rate of Widow's Pension and to the rank which her Son held at the time of his death; but if such Mother shall herself be in the re-

ceipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters*.—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

Where a man has received an injury on duty not incapacitating him for service, a small addition can be made to his long-service pension, or a gratuity may be awarded.

The time during which a man may have borne an indifferent or bad character is forfeited.

Men discharged the service on account of injuries and wounds, or disability attributable to the service (except rupture), are pensioned on the following scale:—

| If totally blind from unavoidable causes, clearly attributable to the service, 3 <i>d.</i> a day in addition. | | |

* The above rates are doubled in the case of continuous service Petty Officers pensioned after 15 or 20 years' service, provided they shall have served for one continuous period of not less than TEN YEARS, and shall be discharged to pension from continuous service with the rating of Petty Officers, and their characters in such rating shall have been **VERY GOOD** for the last year of their service.

The usual allowance for Petty Time is given in addition to the above rates, and is doubled in the case of Continuous Service men, holding Petty Officers ratings, and having "very good" characters in their last ship, irrespective of the length of their continuous service.

The allowance for Badges and Medals is also given, as in the case of Long Service Pensions.

Men discharged the service for rupture are pensioned in the following scale:—

| | |
|--|--|
| Under 10 years' service for single ruptures... | 6d. a day at the rate of three months' Pension for each year of service. |

The allowance for Petty Time is given, in addition to the above rates, and is doubled in the case of Continuous Service men, after 15 years' service (if their character in their last ship has been very good, and they are discharged with Petty Officers ratings).

The allowance for Badges and Medal is also given, as in the case of Long Service Pensions.

General Rules as to Pensions.

No man can receive two pensions at the same time, except in the case of Naval and Greenwich Hospital Pensions.

All Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the pensioner, to be judged of by the Admiralty.

All pensioners (not discharged as wholly incapable) under 55 years of age may be called on to serve in time of war or emergency.

Men are not allowed their Pensions for any time during which they reside out of Her Majesty's dominions, except with the special permission of the Admiralty.

Time during which a man has held a Bad or Indifferent character does not count for pension.

Men discharged the service for misconduct forfeit all claims to pension, and men whose general character has not been good can be awarded reduced pensions.

Commutation of Pensions is not allowed.

In all cases of injuries gratuities may be given in lieu of Injury Pensions, or in addition to Service or Disability Pensions, at the discretion of the Admiralty.

GREENWICH HOSPITAL PENSIONS.

These Pensions are the "Age" and "Special Pensions."

They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good.

They are given to Naval Pensioners only (i.e., to Seamen, Marines, Coast Guard Naval Pensioners, Yard Craftsmen, and Riggers of Dockyard); but Civil Pensioners with over 10 years' service in the Navy, and in certain other cases, are eligible for the Special Pensions.

Age Pensions are given only to Life Pensioners.

A Naval Pensioner is eligible for the Age Pension of 5d. a day on attaining the age of 55, if he has been in receipt of his pension for 5 years; and for the increase of such age pension of 6d. a day at the age of 65, if he has been in receipt of his Naval Pension for 10 years.

The number of Pensions in force at any one time is not to exceed 7,500; the vacancies to be filled quarterly by selection.

The Age Pension is not granted if it would make Pensions exceed 2s. 6d. a day, and only so much is allowed as will make up that sum.

These regulations are not to affect any Pensioner who, being already in receipt of 5d. a day, is eligible for the additional 6d. a day on attaining the age of 65; or any Pensioner who joined the Pensioner Reserve Force prior to the issue of regulations, and who is thereby entitled, under conditions, to the Greenwich Hospital Age Pension of 5d. a day at the age of 60.

The Deferred Pension of Marines gives no credit towards the Age Pension.

Special Pensions are given, at the discretion of the Admiralty, in Regulations framed by the Admiralty, to men unable to contribute materially to their own support, and vary in amount and duration according to man's degree of disability, and the other circumstances of his case; the amount of the fund from which Pensions are given is limited to 22,000l. a year.

They are tenable in addition to Naval and Army Pensions subject, however, to the limits expressed in the following List:—

| | |
|--|--|

A PROCLAMATION.

VICTORIA R.

WE HEREBY by Our Order in Council of this Day's Date have graciously pleased to annul, from and after the first Day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the Statute in that behalf therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of the Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred in the same, as also of the Awards for all Salvage made to the Crews of our Ships and Vessels of War, and otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment of the Shares being desirable, it is our Majesty's Provision should be made for the future Distribution of such net Proceeds and Salvage not heretofore equally apportioned, and all other Monies heretofore granted to be shared among the officers and crews of ships and vessels in the Manner of Prize or Booty, and we do hereby direct, That Ships or Vessels in the sight of a prize, as also of the capture, or circumstances to cause intimidation to the prize, or to the capture, shall be alone entitled to all the net proceeds of prizes, rewards, allowances, salvage and of all bounties and grants whatsoever due to our Royal Navy in the manner of prize or booty, and shall be made as follows: Videlicet—
That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards therefor for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say—
That there is but one flag officer he shall have the share of one thirtieth part; when two flag officers shall be commanding, the chief shall have two-thirds, and the junior flag officer shall have the remaining one-third of the thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the thirtieth part, and the remaining half shall be divided among the junior flag officers; commonly the first class and captains of the fleet to share in the prize; Provided always, That no flag officer, commanding on board any of Our ships or vessels of war, at the actual taking, sinking, burning, or destroying any ship or ships of war, privateer vessels belonging to the enemy, shall share in the proceeds of any hundred money or bounty money granted for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

With reference to flag officers it is to be noted,—
That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commanders-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station which circumstance is always

to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, Lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion herein-after set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains, and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops. That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

I, A. B., am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum in account of such Freight; and in Cases in which the Freight may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, Captains of the Fleet, are to be considered, agree to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, and as the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares of the Freight; the Captain shall be held responsible to both for the Freight which may occur through his Neglect or Delay in paying the same; but if there be any Question of Difficulty as to the Payment, he is to apply to the Senior Flag Officer and the Treasurer of Greenwich Hospital, respectively of the Causes of such Delay.

That the Captain or Officer Commanding, on board any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer on the Station, such Captain or Officer commanding shall be the Senior Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight Money on board Flag Ships, or any other of His Majesty's Ships or Vessels, and to prevent any private Agreement inconsistent with these Regulations, all Flag Officers are expressly forbidden to receive on board of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Condition different from that of these Regulations, to take, demand, or receive any Sum, other than that established by these Regulations.

That these Rules and Regulations shall be received from the Day on which they shall be received by the Majesty's Officers, and be thenceforward to be understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Points to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamation be issued by Us.

TREASURE PLACED ON BOARD H.M.'S SHIPS FOR CUSTODY ONLY.

Admiralty, 24 June 1830.

Sir,—My Lords Commissioners of the Admiralty having had under their consideration a question as to the Freight Money to be allowed for Treasure deposited on board His Majesty's ships for custody, have decided that freight for such a deposit shall be paid as if such deposit were a conveyance from one station to another within the same station, and not divided (where it has been on board more than one of His Majesty's ships) among the Captains, as if such conveyance would have been:—in all cases, Greenwich Hospital is to have a share; and where, after the deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, are made, the freight established for such conveyance

Order in Council is to be charged, over and above the sum which might be already due on the score of such, and are in command from their Lordships to acquaint Sir with for your information and guidance.
I am, &c. J. W. CROKER.

WILLIAM R.
WHEREAS by an Act passed in the Fifty-ninth Year of His late Majesty King George the Third, and intituled *An Act to enable His Majesty to order and direct the Disposal of Freight Money for the conveyance of Species and Jewels on board His Majesty's Ships and Vessels*, It is enacted, that from and after the first Day of April One thousand eight hundred and nineteen, all Freight Money to be paid for the conveyance of Gold, Silver, and Jewels, or of any other Goods which may by special Order be received on board any of the Ships and Vessels of His Majesty, shall be paid, and be distributed and applied for such Purposes, and divided to and amongst such Persons in such Proportions, and after such manner, as His Majesty, His Heirs and Successors, should from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; and of which Act a Proclamation was, on the first Day of July following, made and issued by His Majesty, the then Prince Regent in the Name and behalf of His said Majesty, whereby, amongst other things, a Scale of Rates at which Freight should be paid for Public and Private Treasure respectively, in Peace and War, and for different Voyages, was fixed and established. And whereas We have thought fit to alter the said Rates should be altered: We have therefore, and with the advice of Our Privy Council, made expedient to issue this Our Royal Proclamation, and We do hereby ordain, declare, and command, that from and after the First Day of September next, the said Scale of Rates so fixed shall cease and be no longer in force: And we do further declare, That from and after the following Rates shall be established in Peace and War:

| | For Crown Treasure. | For Treasure belonging to other Parties. | |

| Between Two Ports, the Distance of Two thousand Leagues and upwards | 1 | 1 $\frac{1}{2}$ | 2 |

It is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever: That it shall be stipulated in the Bill of Lading, that the Captains and Commanding Officers of Our Majesty's Ships and Vessels shall not be liable to any Expenses for the Shipment of such Treasure, or other Goods, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall terminate from the Moment they shall have landed the same at the Port to which the Ships carrying the same shall be destined.
It is further declared, That in all other respects, the said Proclamation, made and issued by His Majesty, the then Prince Regent, on the first Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full force.

Given at Our Court at *St. James's*, this Twenty-third Day of April One thousand eight hundred and thirty-one, in the First year of Our Reign.
GOD SAVE THE KING.

BY THE KING. A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels: We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, that the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full force.

Given at Our Court at *St. James's* this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves Judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,
SIDNEY HERBERT.

GREENWICH HOSPITAL PROPORTION OF FREIGHTAGE FOR THE CONVEYANCE OF TREASURE IN H.M. SHIPS.

1. The returns of Freightage, hitherto sent by the Commanding Officers of H.M. Ships to Greenwich Hospital, are to be forwarded to the Accountant-General of the Navy instead of to the Treasurer of Greenwich Hospital, as directed by the Proclamation, dated 12th July 1810.
2. The half-yearly returns from the Commanders-in-Chief are to be sent, as heretofore, to the Secretary of the Admiralty, to be forwarded to the Accountant-General of the Navy.
3. The Commanding Officers of H.M. Ships upon the receipt of the Freightage on the Treasure conveyed, are to pay the proportion due to Greenwich Hospital to the Paymasters of their respective ships, who are to debit themselves in their Public Cash Accounts under the head of "Freightage on Treasure due to Greenwich Hospital," treating the same as part of their public cash, available for their contingent payments, and transmitting vouchers with their cash accounts, descriptive of the sums received, in order that these transactions may be duly examined in the Department of the Accountant-General, and the amounts paid over to the credit of the "Greenwich Hospital Income Account."
4. The Correspondence on the subject of "Freightage due to Greenwich Hospital" should be addressed to the Accountant-General of the Navy.

ENTRY AND DISCHARGE OF PETTY OFFICERS, SEAMEN AND MARINES.

EXAMINATION OF SECOND CLASS BOYS ON ENTERING THE NAVY.

Second Class Boys are only to be finally entered in the United Kingdom and by the following Officers, viz. :—

- Commanding Officers of Training Ships.
- Captains of all District Ships.
- Commanders of Drill Ships.
- Captains of the Flag Ships at Sheerness and Queens-town.
- Commanding Officer of the "Nankin" at Pembroke Dock.

Boys may be provisionally entered by Officers of the Coast Guard, the Recruiting Officers of Marines at Birmingham, Bristol, Cambridge, Derby, Edinburgh, Exeter, Gloucester, Greenock, Hull, Wakefield, Liverpool, * London, Reading, Salisbury, Taunton, and any other Officers specially authorised by their Lordships, sending them to the nearest District or Training Ship to be there finally entered.

Every Boy previous to being entered must satisfy the Examining Officers—

I. That he is of robust frame, intelligent, of perfectly sound and healthy constitution, free from any physical defects or malformation, and not subject to fits.

II. That he is able to read and write. The lowest test by which a Boy should be entered is to be able to read a passage of two ordinary lines of one syllable, and sign his name legibly.

III. That he is between the ages of 15 and 16½ years.

IV. That his height and measure are sufficient, the rules being as follows:—

| | Height (without shoes). | Measurement round the Chest. |
|----------------------------|-------------------------------|------------------------------------|
| Boys between 15 and 15½ .. | 5 ft. | 30 ins. |
| " " 15½ .. 16 .. | 5 ft. 2 in. | 31 ins. |
| " " 16 .. 16½ .. | 5 ft. 3½ ins. | 32½ ins. |

Boys, however, who do not quite reach the standard of height and measurement may, if in all other respects desirable, be entered, with the special permission of their Lordships.

V. Every Boy must bring with him a Certificate of Birth, or a Declaration made by his Parents or Guardians before a Magistrate to show that he is of the proper age; and also the consent in writing of his Parents or Guardians, or nearest relatives if he be an Orphan, to his entering the Navy and engaging to serve until he shall have completed 10 Years Continuous Service from the age of 18.

Boys are not to be received from Reformatories or Prisons.

The Examining Officers on board a District Ship will be the Captain or Commander, a Lieutenant or Navigating Lieutenant, and a Medical Officer; on board a Training Ship, the Commander (or in his absence an Officer of that rank to be appointed by the Commander-in-Chief), a Lieutenant or Navigating Lieutenant, and a Medical Officer; when, however, a Boy has been already passed by a *Naval Medical Officer*, he is not to be medically examined a second time, unless the Commanding Officer of the Training Ship to which he is sent shall think it necessary, and in such case the Boy is to be examined by a Board of three Medical Officers. The Medical Examination is, in all cases, to be conducted as laid down in the Regulations.

If the Examining Officers are of opinion that the Boy is in every respect fit for the Service, the engagement to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 18 is to be read and explained to him, and if he voluntarily agrees

to its terms, he is then, in the presence of a witness, to sign his engagement, and to be entered on the Ship.

The Examining Officers will also fill up the Certificate attached to the engagement, to sign the same, and will transmit the document to the Accountant-General of the Navy.

Particulars can be obtained on application, or otherwise, to the Captains of District or Training Ships or other Officers empowered to raise boys.

Queen's Regulations, Article 1270.

The Commissioners of the Admiralty are pleased, by authority of Her Majesty's Order in Council, 25th May 1881, to issue the following Regulations, for the purpose of rendering the award of full-pay leave, after foreign service, more uniform and consistent than at present.

The following scale of full-pay leave is to be substituted for that now in force, no alteration being made as regards the ranks and classes of officers to whom the leave is granted:

| | |
|--|-----------|
| For every complete six months service abroad, provided the absence has not been less than one year | one week. |
| For every month served beyond the period of six months | one day. |

"This scale to extend to a period of five years absence from England.

"2. Cases in which the absence from England is less than one year, or more than five years, will be specially dealt with by their Lordships when circumstances, in their opinion, warrant the extension of some special indulgence to an officer returning to England after such absence.

"3. Officers serving abroad, who have official residences allotted to them, or are in receipt of allowance for house rent, and whose appointments are subsequent to the date of the Order in Council of the 18th May 1881, are not to be allowed full-pay leave after foreign service, whether borne on ships' books or not.

"4. The new scale, referred to in paragraph 1, is to come into operation on the 18th day of May 1882; paragraphs 2 and 3 will come into effect at once.

By command of their Lordships,
E. N. SWAINSON.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

An Order in Council, dated the 7th July 1874, a Silver Medal was established for such Petty Officers and Members of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

The Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the sum of £20 (not exceeding £20) in the cases of First-Class Petty Officers of the Navy and

Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

EXTRACTS FROM THE REGULATIONS FOR THE "ROYAL NAVAL ARTILLERY VOLUNTEERS" ISSUED IN 1873.

"Royal Naval Artillery Volunteers" are raised by the "Royal Naval Artillery Volunteer Act of 1862."

They are subject to the provisions of that Act, and to regulations made with regard to them by the authority of the Admiralty.

By Royal Proclamation, the Royal Naval Artillery Volunteers may be assembled for actual service; and when assembled, they will be liable to serve on board Her Majesty's ships or vessels employed in the coast of the United Kingdom, or in the harbours or boats attached to such vessels.

They will also be liable to perform all the ordinary duties of the vessel in which they may be embarked in the same manner as those duties are performed by the crews of Her Majesty's ships, except those duties which may be performed by practical seamen.

They will not be required to go aloft, or to attend the gun or the gun-hole.

They will accommodate themselves to the berthing and arrangements usual for the Seamen of the Navy.

Corps is a body of persons who combine, under command, to form a part of the Naval Artillery Volunteer Force.

Members of a Corps are either enrolled or honorary.

Enrolled members are persons of every grade, whose names are entered for service in the muster-rolls of the Corps.

In offering the services of a new Corps for acceptance, it should be stated:—

- The place proposed for its head-quarters.
- The number of persons who are prepared to enroll themselves.

All Officers of the Royal Naval Artillery Volunteers will be commissioned by the Admiralty.

The Commanding Officers of Brigades will recommend, for the consideration of the Admiralty, names of persons for the appointments and promotion of officers in their Brigades.

In order to enable the Admiralty to judge the qualifications of the persons recommended, the Commanding Officer will forward, with his recommendation, a statement giving the name, age, residence, place of education, and occupation or profession of the Candidate as well as a Medical Officer's Certificate, stating that the Candidate is in good health, and fit to perform the duties of an Officer.

Officers on Full Pay in the Navy or Army are not eligible for other than honorary commissions.

The appointment of an Honorary Commander to a Brigade is allowed, and such Honorary Lieutenants and Honorary Sub-Lieutenants as the Admiralty may think fit to sanction.

The appointments of an Honorary Chaplain and Staff Surgeon to a Brigade are allowed at the discretion of the Admiralty.

The appointments of all Honorary Officers will cease whenever the Force is called out for actual service, unless the Admiralty shall see fit to accept the services of any such Officers who may volunteer for active service.

Every Officer is required to possess a competent knowledge of his duties, and to give a proper attendance at the drills of his Corps.

No person below the age of 17 is to be enrolled in the Corps without the special authority of the Admiralty.

Boys of 14 years of age and upwards may be enrolled for the purpose of being trained as Buglers.

The course to be adopted as to the Discipline of the Volunteers will be found in Part III. of the Naval Artillery Volunteers Act.

Officers and men of the Royal Naval Artillery Volunteers, when in uniform, are to pay the customary marks of respect to such Officers of the Navy, Army, and Auxiliary Forces as are entitled to be saluted by Officers and men of corresponding rank in their own Service.

When Royal Naval Artillery Volunteers are assembled with the Regular Forces of the Army in Camp or for Training, they will be under the "Naval Discipline Act, 1860," in the same manner as if they were on actual service, and will be placed under the immediate command of an Officer of Her Majesty's Navy.

Camp rules will apply in all respects to the Royal Naval Artillery Volunteers.

The Naval Volunteers must perform the Camp duties of fatigue, cooking, &c.

The Uniform to be worn by the Royal Naval Artillery Volunteers is to be of the same pattern as for Officers of the corresponding ranks in the Royal Navy, with the following exceptions, viz.:

Instead of each distinctive stripe of half-inch gold lace round the sleeve, there is to be a stripe formed of two waved lines of quarter-inch silver braid, running parallel to each other, so as to form bands three-quarters of an inch wide, the blue cloth to show quarter of an inch between the lines of braid.

The buttons to be of the Naval Pattern, with the letters R.N. on one side of the anchor and A.V. on the other side.

The crown and anchor to be gilt, and the remainder of the button silver.

QUALIFICATIONS FOR THE ORDER OF THE BATH

Extract from Supplementary Statutes of 24th June 1861.

It is ordained that the Military Division of the Third-class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, or above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, or above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army, or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action against the

enemy, in the command of a ship of war, troops, or at the head of a Military Detachment having by some Active Service, under his conduct and direction, contributed to the success of such action; provided, nevertheless, and we declare that this last-mentioned regulation shall be applicable to Commissariat and Medical Officers instead thereof. We further declare, that Commissariat or Medical Officer shall be considered an ordinary member of the Military Division of the Second and Third Classes of the said Order unless it appear to us that by his meritorious services in providing for the wants of our Army, Indian Military Forces, or in taking care of the wounded Officers, Soldiers, and Seamen of our Navy, or of our Indian Military and Naval Forces, he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.
2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field, or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.
3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister

accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made later than two years after the exchange of the ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years of the date of such service.

5. After such Notification shall have been made, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the provisions prescribed by the present Regulations, and the service was performed in the Naval or military Services before the Queen, or in the Indian Services before Her Majesty's Principal Secretary of State for Foreign Affairs, recommend the conferring of the Order to Her Majesty.

Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

Any such reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure in any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear it insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant signed by Clause 1 to be prepared for the Royal Sign-Manual.

Any such Warrant shall have been signed by the Queen, and notification thereof shall be inserted in the *Lancet*, stating the service for which the Foreign Order has been conferred.

The Warrant signifying Her Majesty's permission, signed at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher class of the same order, to which he may have become entitled by increase of rank in the Foreign Service, or in the service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENDON.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower ranks in Our Naval and Military Service, or of Warrant Officers, Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of Medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is created for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these Letters Patent, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We ourselves should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and enact the following rules and ordinances for the government of the same, which shall from henceforth be rigidly observed and kept:

Firstly.—It is ordained, that the distinction should be made and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing the inscription "For Valour."

Secondly.—It is ordained, that the Cross shall be suspended from the left breast by a blue ribbon for the Navy, and by a red ribbon for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the ribbon by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act

as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty

Officers and Non-commissioned Officers engaged, two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration on the acts were done under his own eye.

Fourteenthly.—It is ordained that every Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the distinction has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar shall, under rule four on such Warrant, or Petty Officer, Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this noble and valuable distinction, it is ordained, that if any person whom such distinction shall be conferred, be guilty of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and detain a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Pension shall have been conferred by an especial Warrant of Our Royal Sign Manual, and the Pension conferred by rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; and we shall at all times have power to restore such persons may at any time have been expelled, both in the grant of the Decoration and Pension.

Given at our Court at Buckingham Palace, the ninth of January, in the nineteenth year of Our said Majesty, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross; And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is Our further will and pleasure that Officers, men of our auxiliary and reserve forces (Non-Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant as amended by this Our warrant.

Given at Our Court at Osborne, the 24th of April 1881, in the 44th year of Our said Majesty.

By Her Majesty's command,

THE ALBERT MEDAL.

WARRANT extending the two DECORATIONS styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

WARRANT.

WE, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1866, in the 29th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the following, that is to say:—

WARRANT.

WE, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas, taking into Our Royal consideration that the life of man is sustained by reason of shipwreck and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and dangers of those who are in danger of perishing from shipwreck and perils of the sea; and taking into consideration the expediency of distinguishing such persons by some mark of Our Royal favour:

And for the purpose of attaining an end so desirable as rewarding such actions as aforesaid, We have caused to be created, and by these presents for Us, our heirs and successors, to institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and Ordinances for the government of the same, which shall be and be continually observed and kept.

First.—It is ordained that the distinction shall be made by the 'Albert Medal,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., surmounted by an Anchor erect in gold, surrounded by a ribbon, inscribed in raised letters of gold with 'Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the Prince Consort, and suspended from a ribbon of five-eighths of an inch in width with four white longitudinal stripes.

Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those persons to whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which entitles him to such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be conferred on those, who, after the date of this instrument, have been saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, and their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provisions as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person is convicted of any dishonourable conduct which in Our judgment renders him unfit for the said Decoration, his name shall be erased from the registry of individuals to whom the said Decoration shall have been conferred, and an especial Warrant under Our Royal Sign

Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "The Albert Medal," and instituting in lieu thereof two new Decorations, to be styled respectively "The Albert Medal of the First Class," and "The Albert Medal of the Second Class:"

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled 'The Albert Medal of the First Class,' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Decorations shall be styled 'The Albert Medal of the Second Class,' and shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that the 'Albert Medal of the First Class' shall be confined to cases of extreme and heroic daring, and that the 'Albert Medal of the Second

Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct, which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts as are graciously pleased to extend the two Decorations styled respectively *"The Albert Medal of the First Class"* and *"The Albert Medal of the Second Class"* to persons of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances which shall from henceforth be inviolably observed and kept.

First.—It is ordained that "*The Albert Medal of the First Class*," when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letter V. and A., erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, "*For Gallantry in Saving Life on Land*," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that "*The Albert Medal of the Second Class*," when conferred for Gallantry in saving life on land, shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the "*London Gazette*," and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other perils within Our dominions, other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eightly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall be erased from the registry of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We at all times have power to order that any person may at any time have been expelled shall be restored to the enjoyment of the Decoration.

Given at Our Court at St. James, this Thirtieth day of April, One thousand eight hundred and eighty-seven, in the Fortieth year of Our reign.

By Her Majesty's Command,

(Signed) RICH'D. ASSHELEY

FLEET CIRCULAR NO. 12.—C

Admiralty, 22nd April 1880.

GOOD CONDUCT MEDALS AND GRATUITY

WITH reference to Articles 676 and 1,137 of the Regulations and Admiralty Instructions, the following qualifications for which the character of *Very Good* should be awarded, my Lords have noted the representations from Captains of Her Majesty's Ships relative to the difficulty they experience in awarding this character, which by the present regulations is confined to men who, in the opinion of the commanding officer, "conduct their various duties have been such as to fully warrant their being held up as examples of imitation."

2. My Lords, having given the subject much consideration, do not deem it sufficient reason for continuing the use of the word *Exemplary* for the purpose of describing the conduct of men who, in order to have earned the character of *Very Good*, have deputed themselves as to be considered, on account of the conduct and the manner in which they have performed their duties, as examples of imitation.

3. My Lords have, however, determined that the character of *Very Good* should be awarded to men who shall no longer be conditional on the character of *Exemplary*, and that a man of the character of *Very Good* shall henceforth be eligible for the character of *Very Good* and for the character of *Very Good* must therefore be awarded with greater care and discrimination than has hitherto been the case.

4. On a man being sentenced to punishment, Martial, or summarily awarded—

Corporal Punishment.

Imprisonment; if by Civil Power or by Court-Martial; or

Reduction to below the Privilege Leave List, his character will, under the accompanying regulations, be necessarily recorded below *Very Good*, and the required continuity of *Very Good* for the Gratuity purposes will always in such cases be broken.

5. Ten years of continuous *Very Good* character will render a man eligible for a Medal, and fifteen years of continuous *Very Good* character for a Gratuity, provided in each case he has been recommended in the preceding three years, subject to the provisions of the amended Articles 676, 723, and 1,137, of the Regulations, 1879.

6. To entitle a Man to the Medal.—

(a.) He must have been recommended for the Certificate for three consecutive years.

1. He must be recommended for it by the Captain under whom he is serving, when he becomes eligible and has fulfilled the required conditions of service.
2. To entitle a Man to the Gratuity:—
 - (a) He must have been awarded the Medal and have never forfeited it;
 - (b) He must have been recommended for it on his Certificate for three last consecutive years;
 - (c) He must, subsequently to his receiving the medal and until pensioned, have always been awarded a character of "Very Good" or "Exemplary."
 - (d) He must be recommended for it by the Captain under whom he is serving when his Pension is applied for.
3. In order to carry out this arrangement it will be necessary that the additional words "Medal recommended" or "Gratuity recommended," should be added on the men's certificates accordingly, when the characters are required to be recorded on them; the additional words are also to be noted in the Record in the Service and Conduct Book.
4. In giving recommendations for Medals and Gratuity Certificates, it is to be understood that the fact of men being eligible by previous notations on their certificates does not make it imperative for the Admiralty to recommend them. Invariable Very Good character is the satisfactory manner in which their certificates are to be the only guide.
5. Admiralty will for Medal and Gratuity purposes be guided by Very Good.
6. No change is made in the Regulations reserving to the Admiralty the right of dealing exceptionally with the case of men who have distinguished themselves in action or otherwise, or of men who have been awarded continuous Very Good character.
7. The changes indicated above are applicable to the Royal Marines Ashore and Afloat.
8. The enclosed amended Articles 676, 723, and 1,157 are substituted for the present Articles which are cancelled in the Queen's Regulations, 1879, and which are to be considered as cancelled when these come into operation, as is also clause 9 of Article 1,157.
9. Time served by men who, after completing time for pension, re-engage under the provisions of Article 18 of the Admiralty, 1880, will reckon for the Medal and Gratuity, but the award of the Medal after the completion of such time will not count towards increase of Pension.

TEMPORARY PROVISION.

Awards of character under the existing Regulations to be made to the 30th June next, inclusive, of a character of Very Good awarded between 1st January 1880 and that date is to be considered as valid for Medal and Gratuity purposes.

By Command of their Lordships,
ROBERT HALL,

First and Second Commanders-in-Chief, &c.

GOOD CONDUCT MEDALS AND GRATUITIES.—SEAMEN.

Men holding any of the ratings specified in Article 6, of Appendix VI., page 680, of the Queen's Regulations, 1879, may, under the following rules and conditions, be pensioned, be recommended, if of Very Good character, for the Good Conduct Medal and Gratuity, as also may Pensioners who return to the service within five years of their being pensioned, but not the Medal only. The award will be made irrespective of the complement, it being intended that nothing but a proven misconduct shall be a bar to his obtaining the distinguishing marks of the approbation of the Admiralty, should he serve sufficiently long.

Men recommended by the Captain under whom he is serving at the time, 10 years of continuous Very Good character, under Art. 723 as amended, will entitle a man to the Medal, and if recommended by the Captain under whom he is serving when his pension is applied for, 15 years of continuous Very Good character will entitle him to a Gratuity, subject, however, to all the following conditions, and provided the man had never been

awarded a character below Very Good, except for a period not exceeding one year in his first five years of time reckoning for Pension.

3. After a man has been awarded seven years of such continuous Very Good character as will under these Regulations count towards the Medal, the Captain will, if the man continues to be Very Good, and he considers him deserving thereof from his invariable Very Good Conduct and Exemplary manner of performing his duties, add to the character of Very Good given on his certificate, whenever he is required to record it, the words "Medal recommended," and after 12 years of such Very Good character, the Captain will in like manner add the words "Gratuity recommended."

4. No man is entitled to the Medal unless

(a) he has been recommended for it on his certificate for three consecutive years,

(b) he is recommended for it by the Captain under whom he is serving when he becomes eligible.

5. No man is entitled to a gratuity unless

(a) he has been awarded the Medal and has never forfeited it,

(b) he has been recommended for the Gratuity for three consecutive years,

(c) he has been continuously awarded a character above Good since he received the Medal until he is pensioned,

(d) he is recommended for it by the Captain under whom he is serving when his pension is applied for.

6. Exemplary is in all cases to be considered as equivalent to Very Good for Medal and Gratuity purposes.

7. Whenever the Captain sees fit to withhold the required recommendations he will record fully his reasons in the Service and Conduct Book.

8. Time only which reckons for Pension under Art. 2, (a) is to be allowed for Medal, that is, from the age of 18 for continuous service men, and from the age of 20 for non-continuous service men, and the character given before attaining such ages respectively has no effect on a claim to Medal and Gratuity.

9. A break in service caused by a man being invalided will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal or Gratuity, provided he rejoins as soon as the state of his health will admit and completes the required service.

10. Desertion, reduction to the second class for conduct, imprisonment, or the award of character less than Good after attaining the age of 18 if a C.S. man or of 20, if a non-C.S. man, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 11, 12, and 13.

11. Imprisonment by the Civil Power shall not prejudice a man's claim to the Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or, if abroad, by the Commander-in-Chief.

12. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any man who can show 15 years of continuous Very Good character, notwithstanding anything he may have done, or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

13. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; but in such case no Gratuity will be awarded.

14. The scale for Gratuities shall be as follows:—

| | |
|--|----|
| Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years | 20 |
| First Class Petty Officers, having served as such for not less than 10 years | 15 |
| Second Class Petty Officers, having served as such for not less than seven years | 10 |
| Leading Seamen, having served as such for not less than five years | 7 |
| Able Seamen, and others | 5 |

Gratuities will not be given to men who serve after being pensioned.

15. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

16. Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the District Captains of Coast Guard, as soon as the men become eligible for them, and when the approval of the Admiralty has been received, the Medals and Gratuities are, when possible, to be presented before the ship's Company by the Captain of the ship. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the copies of certificate sent into Office.

17. If, pending the presentation of the Medal, the man's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

18. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalidated; and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of man's service, in which case he may retain it.

19. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

20. In the case of a man who has joined from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army service, subject, however to the rules as to 10 consecutive years of Very Good or Exemplary character.

21. The Good Conduct Medal of a Petty Officer or Seaman which has been forfeited for misconduct may, with the sanction of the Admiralty, be restored on the completion of his time for pension, provided his character during the last five years of his service has been Very Good.

22. In regard to men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under the foregoing Regulations.

23. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities and not Very Good.

24. These Regulations apply to the Coast Guard Afloat and on Shore.

XVII. CERTIFICATES.—SHIPS' COMPANY.

723. A Parchment Certificate in the established form is to be prepared for every man and boy on first entry. Special inquiry is always to be made on a volunteer offering himself for entry, as to whether he had ever been in the Service; and if so, and he fails to produce his Certificate, on no account is a fresh one to be prepared for him until application has been made to the Accountant-General on the established Form, and the Form, with the required particulars, returned to the Captain.

2. On first entry the religious denomination of every man or boy is to be noted on his Parchment Certificate, and it is also to be recorded in the Service and Conduct Book of each ship in which he may serve; in the event of any man of good character representing himself as having become a member of a religious denomination other than that under which he had been entered, and is anxious to have the record altered accordingly, the Captain may permit the change to be made.

3. The Parchment Certificates are from time to time to be very carefully filled up and signed as required by Clause 7 and by the Form. When awarding the character of a man, the Captain will take to his assistance the Executive Officer and the Officer of the man's division, or the Marine Officer, as the case may be, and

fully consider all the entries against him in the Service and Conduct Book, so that this duty, so important both to the man and to the Service, may be performed with proper deliberation.

4. Characters are to be recorded as—

- a. Exemplary:
- b. Very good:
- c. Good:
- d. Fair, or passable:
- e. Indifferent:
- f. Bad.

5. "Exemplary" is to be entirely exceptional, and only to be awarded to men who have during the period without regard to their former history, shown themselves as to be considered, both on account of their excellent conduct and the manner in which they have performed their duties, as examples worthy of imitation, and to be held up as a pattern to the crew.

6. "Very good" character is to be awarded with moderation and discrimination, and it is not to be given because a man has kept clear of the delinquency and escaped punishment. As it is now to take the place of "Exemplary" for the award of Medals and Gratuities, the greatest care must be taken in mentioning the character.

7. On a man being punished by sentence of a court martial or summarily awarded—

- a. Corporal punishment:
 - b. Imprisonment in the ship:
 - c. Disrating or reduction:
 - d. Deprivation of Good Conduct Medal or Badge:
 - e. Reduction to the Second Class for Conduct:
 - f. Reduction to a lower class for leave without pay:
- his character is to be recorded as Very Good, his actual conduct since it was last recorded to the date of the offence which he is punished was committed is to be noted in his Certificate and in the Ledger of the Service and Conduct Book; for the intervening period, his character is to be awarded as his character was at the date when the punishment took place, and his character is to be awarded as his character was at the date when he was punished, but it is never to be recorded as Very Good for the period, and from thenceforward his actual conduct is to be again recorded at the proper periods.

8. Special mention is to be made of any particularly meritorious conduct, both in the Certificate and in the Service and Conduct Book and Ledger.

9. The character of every man and boy is to be recorded upon his Certificate by the Captain in his handwriting, with his initials, on the 2nd of each year, and under his signature on the back of the Certificate and in the Ledger of the Service and Conduct Book, and on all other occasions when specially required. When from the length of time the ship is in commission, from other causes, the form requires it, a fresh Certificate is to be commenced on the certificate, and the additions made.

10. The conduct of each man or boy borne away on passage for more than three months is to be noted in red ink on his certificate, but if so borne away for less than three months his conduct is to be noted in blue ink on the Transfer List, as a guide to the award of character on Certificate at the proper time.

11. When men borne for less than three months on passage, or when Supernumeraries are sent away on leave, or for other valid causes, notations, such as "Passage only" and "Time only," are to be made on the Certificates when the character is not required to be recorded thereon, and if it follows Very Good or Exemplary accordingly as the case may be, the absence of any notation to the contrary, and recommendations for Medal or Gratuity will in like manner be regarded as continuous in such cases. The principle will also apply in all other cases of men being borne away for time only, as the previous character is to be regarded as continuous in the absence of notation to the contrary.

12. In the event of a man misconducting himself while in hospital, a report is to be made by the Medical Officer to the Captain of the ship or the Commandant of the division to which the man belongs.

13. All time during which a Supernumerary is sent on passage home, if entitled to pay, is to be shown on his Certificate, as well as his character.

the Captain of the Commandant will, in like manner, add the words "Gratuity recommended."

- a. To entitle a Marine to the Medal—
- a. He must have been recommended for it by his Captain or Commandant on his Certificate for the consecutive years;
- b. He must be recommended for it by the Captain or Commandant under whom he is serving when he becomes eligible and has fulfilled the required conditions of service;
- c. To entitle a Marine to the Gratuity—
- a. He must have been awarded the Medal and have never forfeited it;
- b. He must have been recommended for it on his Certificate for three consecutive years;
- c. He must not previously have been always awarded a character above Good;
- d. He must be recommended for it by the Captain or Commandant under whom he is serving when his Pension is applied for.
6. Whenever Exemplary conduct is awarded it shall in all cases be understood as being equivalent to Very Good for Medal and Gratuity purposes.
7. Whenever the Captain sees fit to withhold the required recommendation, he is required fully his reasons in the Service and Conduct Book.
8. A Marine who is recommended for the Medal or Gratuity, and who does so in the corresponding record at the Divisional Head Quarters.
9. The character given to a Marine in such portion of under-age service as does not reckon for Pension has no effect on his claim to a Medal and Gratuity.
10. A Marine who is recommended for the Medal, being invalided will not be considered as breaking the continuity of his Very Good character, provided he rejoins as soon as the state of his health will admit, and completes the required service.
11. In order, reduction to the Second Class for conduct, imprisonment, or the award of character less than Good during any portion of the time which reckons for Pension, shall render a Marine absolutely ineligible for the Medal or Gratuity, except as provided for in the following paragraph.
12. In order, a Marine entirely to exclude from the honour of the Medal, a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any Marine who, after a period of continuous Very Good character, notwithstanding anything he may have done or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.
13. The Admiralty will also consider the case of any Marine who may be recommended for the Medal, under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, no Gratuity will be awarded.
14. Imprisonment by the Civil Power shall not prejudice a Marine's claim for the Medal or Gratuity unless the award is directed by the Admiralty, if the Marine was serving at home, or, if abroad, by the Commander-in-Chief.
15. A Marine to whom a Medal has been awarded will be liable to be deprived of it summarily by warrant, issued by the Commander-in-Chief, for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and to carry with it the forfeiture of the claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accountant-General.
16. If a Non-commissioned Officer holding a Good Conduct Medal is reduced for misconduct he is to be absolutely deprived of his Medal.
17. The Commandant of a Marine who has been deprived of it may, with the sanction of the Admiralty, be restored on the completion of his time for Pension, provided his character during the last five years of his service has been Very Good.
18. The infliction of any of the punishments specified in Clause 7, Article 725, of the Regulations, after a Medal has been awarded, shall result in the forfeiture of the Medal, except as provided for in the following Clause (18).

18. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

If the Badge is not regained within 12 months from the date of deprivation the Medal is absolutely forfeited.

If two or more Badges are taken away, and not one only, or if a Marine loses a second Badge, his Medal is absolutely forfeited.

19. Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

20. The scale for Gratuities shall be as follows:—

| | |
|--|----|
| Non-commissioned Officers of Royal Marines in Class I, Art. 1.147, having served as Staff-Sergeants and Sergeants of Royal Marines for not less than 10 years, and Marine Schoolmaster | 20 |
| Sergeants of Royal Marines in Classes II, III., and IV., Art. 1.147, having served as such for not less than ten years | 15 |
| Corporals and Bombardiers of Royal Marines, having served as such for not less than seven years | 10 |
| Gunners, Privates, Musicians, and Buglers of Royal Marines | 5 |
| Gratuities will not be given to Marines who serve after being pensioned. | |

21. In case where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him.

22. Lists of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the established form, by the Commander-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, as soon as the Marines become eligible

for them; and when the approval of the Admiralty has been received, the Medals and Gratuities are to be sent before the Ship's company by the Captain of the Ship, and in the case of Marines on shore, by the Commandants on parade. A complete history of Badges, and the dates of award, deprivation, and restoration, are to be given on the Copies of Certificates sent into the Admiralty.

23. It must be distinctly understood that Medals are only granted on the condition that the recipient continues to serve for Long-Service Pension, unless he is disabled, and that, in the event of a Marine who has been recommended for a Medal declining to go on serving to complete his time, he shall surrender the Medal on his discharge, unless he has completed 15 years of service for Long-Service Pension, in which case he may retain it.

24. If it is desired that Marines who have received Medals should also be given Gratuities, separate consideration must be made for the latter on their being recommended for Pension.

25. In the case of a man who has joined the Army from the Army, the general character given to him on his discharge will be taken as his character for the whole of his Army service, subject, however, to the rules as to 10 consecutive years of Very Good Exemplary character.

26. If, pending the presentation of the Medal to the Marine, his conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

27. In the case of Marines in the Service on the 1st July 1876, time served before that date, with Very Good Exemplary character, will be allowed to reckon for the Medal Gratuity, provided their conduct has been such as to render them deserving of being considered Very Good Exemplary under these Regulations.

28. Between the 1st July 1876 and 30th June 1880, Exemplary Character only will make a Marine eligible for Medal and Gratuity and not Very Good.

MARINES' CERTIFICATE.

With reference to Art. 1.125, Marines' Certificates are to be filled up in accordance with the amended form in so far as its provisions can be made applicable to them.

MEMORANDUM.

Admiralty, 5th May 1870.

(REGULATIONS RESPECTING MEDALS GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.)

The Lords Commissioners of the Admiralty having sanctioned Medals granted for acts of bravery in saving life being worn by officers and men of the Royal Navy in Uniform, subject to their Lordships' approval;

the decoration, together with a statement of the bravery performed, should be sent to the Secretary to the Admiralty, in order that the recipient's name be registered, and the necessary authority should be given to their Lordships think proper, for the Medal to be worn.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasps and Bars for subsequent acts of bravery, in cases

where a medal has been already granted,—the Commissioners of the Admiralty are hereby notified to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasps when awarded by the Humane Society.

By Command of their Lordships,

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

is issued by the Secretary of State for the Colonies to the information of Officers wishing to retire from the naval or military service, for the purpose of settling in those colonies, which offer the best advantages in the acquisition of land.

Colonies which offer Privileges.

Colonies which now offer land privileges to Military Officers are British Columbia and

Officers entitled to Privileges.

to whom such privileges are offered are: (a) Officers of the Military Branch, of all grades, from that of Sub-Lieutenants; (b) Military Officers of all ranks; (c) Regimental staff Officers; (d) Officers of both Services, of not less than 20 years' standing.

Officers not entitled to Privileges.

Officers not entitled to land privileges are, Naval Officers; Chaplains; Commissariat Officers; Sub-Lieutenants; Medical Officers of all ranks; Officers of 15 years' standing; Cadets; Officers of every description; Officers of any rank of the Navy or Army; and, lastly, Officers who have been in the space of three calendar years, in Her Majesty's Service, and have not obtained a Memorandum of Rank and Service as mentioned.

Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in remission of purchase money. In the other named Colonies, land must be purchased in accordance with the regulations for the time being in force in the Colony. A certain amount of the purchase money is remitted. These allowances are regulated by the regulations of service of the Officer as shown in the following Table:—

| | Acres. |
|--|--------|
| Officers of 25 years' service, in the whole | 600 |
| Officers of 20 " " " " | 400 |
| Officers of 15 " " " " | 200 |
| Officers of 20 years' service and upwards, in the whole | 400 |
| Officers of 15 years' service or less in the whole | 300 |
| Officers of 20 years' service, and upwards, in the whole | 300 |
| Officers of 15 years' service and upwards, in the whole | 200 |

When a remission of purchase money is allowed, the quantity of lands according to the following Table:—

| | £ |
|---|-----|
| Officers of 25 years' service and upwards, in the whole | 600 |
| Officers of 20 " " " " | 400 |
| Officers of 15 " " " " | 200 |
| Officers of 20 years' service and upwards, in the whole | 400 |
| Officers of 15 years' service or less, in the whole | 300 |
| Officers of 20 years' service and upwards, in the whole | 300 |
| Officers of 15 years' service and upwards, in the whole | 200 |

Officers receive allowances corresponding with the rank to Officers in the army as prescribed in the Order in Council of 11th June, 1863.

Memorandum of Rank and Service.

Officers desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man,

from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Command-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same Officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage bona fide settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a bona fide settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

THE NAVY LIST ADVERTISER.

October 1881.

THE NAVAL BRIGADE IN SOUTH AFRICA DURING THE YEARS 1877-78-79.

BY FLEET-SURGEON HENRY F. NORBURY, C.B., R.N.

Cr. 8vo. cloth ex. Price 10s. 6d.

The author has written a good book, and we trust it may have the success it merits."—*Daily Review*.

The author proves himself to be a man of keen observation. He introduces his readers to the Tribes in a manner which will at once attract attention, and make many half fancy they must have lived for years among them. Having fully exhausted the subject of the War, he gives a graphic account of the operations of the Naval Brigade against the Boers. There is a great deal of instructive information to be found in this book."—*Army and Navy Gazette*.

A story which is told with commendable conciseness, and when necessary with a painstaking elaboration of details."—*The World*.

This book will be read with interest even by those who have already gone through a good deal of the too-voluminous war literature. The author writes with freshness and simplicity."—*The Graphic*.

The UNION ASSURANCE SOCIETY has now been in existence for upwards of **Hundred and Sixty Years.**

The Invested Funds of the Company exceed **ONE MILLION AND A HALF STERLING** which, in conjunction with the guarantee of an influential and wealthy Proprietary, enables the Company to offer to intending Assurers the most absolute security.

FIRE DEPARTMENT.

The Directors are ready to receive Proposals for insuring Property generally, in **Great Britain and Ireland**, at equitable Rates, and according to the risk to be protected.

LIFE DEPARTMENT.

Four-fifths of the Office Profits are appropriated to the benefit of the Assured every year, thus giving them nearly all the advantages of a Mutual Company, but without any liability whatever.

During the last thirty years the **BONUS** has averaged

One Pound Ten Shillings per Cent. per Annum on the Sum Assured.

The Bonus can either be applied in increasing the Sum Assured, in reducing the Amount of the Annual Premium, or its present value can be received in Cash.

Where the Bonus has been applied to reduce the Annual Premiums, considerable reductions have been made; and in many instances the present with the past Bonus additions will **completely extinguish all future Premiums payable under the Policy.**

Officers in the Royal Navy or in H.M. Marine Forces can insure by uniform Annual Premiums, not subject to increase on their being ordered abroad or residing whilst in the service of these Services in any part of the world.

The following are the **Whole-world Rates** for an Assurance of 100*l.* on the life of a **Male Officer**, exclusive, however, of the risk incurred in actual warfare.
